2007 Young Pitchers Highlight Injury Plagued Season

Manager	W	L	Pct.	Pos.	GB	Attendance

WITH A RECORD OF 83-79 IN 2007, the Blue Jays put together back-to-back winning seasons for the first time since 1999 and 2000. Their record of 49-32 at the Rogers Centre marked the sixth-best home record in franchise history, and with just one losing month (May, 12-16) all season, it marked the first time since 1993 that the the Jays finished a season with just one losing month. However, more had been expected after their second-place finish in 2006. Had it not been for a rash of injuries that saw 13 players go on the disabled list a total of 16 times and cost the team 951 man-games missed, those high expectations may have been met.

The 2007 season began in Detroit on April 2. Roy Halladay made his fifth consecutive Opening Day start, a new club record. The Blue Jays won 5-3 in ten innings, with Jason Frasor picking up the victory and B.J. Ryan nailing down the save. Ryan had seen only limited action in spring training, and indications that all was not well with the team's dominating closer could be seen on April 6 when he surrendered three runs in the bottom of the ninth to turn a 5-3 lead over Tampa Bay into a 6-5 loss. After allowing three more runs in another blown save eight days later, Ryan was placed on the 15-day disabled list with a left elbow strain on April 15. He was moved to the 60-day DL on April 23, and underwent season-ending Tommy John surgery on May 10. Gustavo Chacin made five starts in April before he was placed on the disabled list with soreness in his left shoulder. He, too, wound up being out for the season, and underwent surgery on August 29.

Meanwhile, an apparently healthy Roy Halladay was his usual workhorse self. He pitched his first complete game of the year on April 13, working ten full innings, and was 4-0 by the end of the month. However, Halladay was roughed up in his next two starts. Then, on May 11, he fell ill with appendicitis and was placed on the disabled list. He missed only 20 days, returning to action on May 31 and picking up his 100th career victory with seven shutout innings. The Jays beat Mark Buehrle and the Chicago White Sox 2-0 that day on solo homers from Aaron Hill and Frank Thomas. The homers were Toronto's only hits of the game, and with no walks it marked the first time in Major League history that a team won a game without an official runner ever being on base. Halladay went on to finish the season with a record of 16-7 (11-1 at home) and a Major League-best seven complete games among his 225.1 innings pitched. On June 20 he joined Dave Stieb, Jim Clancy, Juan Guzman and Pat Hentgen as the only pitchers in franchise history with 1,000 strikeouts.

Meanwhile, Halladay's injury had opened a spot in the pitching rotation for Jesse Litsch. A former bat boy with the Tampa Bay Devil Rays, Litsch was 7-2 with a 2.35 ERA in 10 starts with Double-A New Hampshire when he was summoned to Toronto. He made his Major League debut on May 15 against the Baltimore Orioles

Injuries thrust Jeremy Accardo into the closer's role, where he did well, finishing with 30 saves and an ERA of 2.14.

and held them to just one run on four hits in 8.2 innings in a tight, 2-1 victory. Litsch became the first Blue Jays pitcher to win in his debut since Gustavo Chacin in 2004, and had the longest debut outing by any pitcher in franchise history.

Litsch was just one of several young Jays pitchers who got a chance to shine because of injuries in 2007. Shaun Marcum began the year in the bullpen, where he was an unimpressive 1-2 with one save and a 6.06 ERA. Forced to make a start on May 13, he tossed six no-hit innings before reaching his pitch count in a game the Jays would lose 2-1. He began his next start on May 19 with four no-hit innings, tying the team record of 10 consecutive no-hit innings held by Dave Stieb and David Cone. He reached the seventh inning without allowing an earned run in four of his first nine starts, and eight of his first 17. He did not suffer a loss as a starter until his 11th start, and ended the season 11-4 as a starter with a 3.91 ERA. Dustin McGowan also had a breakthrough season in the starting rotation. In what was, essentially, his first full Major League season, McGowan was 12-10 in 27 starts, including an 8-3 mark with a 3.27 ERA in home games. He held righthanders to just a .198 batting average. At the Rogers Centre on June 24, McGowan carried a no-hitter into the ninth inning and wound up with a one-hit shutout. It was the team's first complete game shutout since A.J. Burnett did so on June 27, 2006. As for Burnett in 2007, he spent two short stints on the disabled list but posted a 10-8 record and led the team with 176 strikeouts, topping 10 Ks on five occasions, including a season-high 13 versus Tampa Bay on June 7.

The injury to B.J. Ryan caused some juggling in the bullpen as well, where Jeremy Accardo took over the closer's role and notched 30 saves. He began the season with 21.2 consecutive scoreless innings and finished the season with a 2.14 ERA. Casey Janssen proved very effective as a setup man, leading the team with 72.2 innings out of the bullpen. He allowed just two earned runs in his first 26 appearances (0.61 ERA) and finished the season with a 2.35 ERA.

Injuries also hurt the offense, with Reed Johnson, Gregg Zaun and Lyle Overbay all missing significant time. Troy Glaus (traded in the offseason for Scott Rolen) and Vernon Wells were also hampered by injuries, though neither missed as much time as the others. Offensive highlights were supplied by Alex Rios, with a team-best .297 average and 191 hits, plus career highs in homers (24) and RBIs (85); Aaron Hill, who hit .291 with 17 homers to set a club record for second basemen; and Matt Stairs, who had 21 homers and 64 RBIs in just 357 at-bats. After a slow start, designated hitter Frank Thomas led the club with 26 homers and 95 RBIs. His 13th home run of the season on June 28 gave him 500 for his career. Of his now 513 career homers, 261 have come as a designated hitter, breaking the previous record of 243 held by Edgar Martinez. Thomas's .277 batting average was his highest since hitting .328 in 2000. He is a .303 lifetime hitter.

The Mosquito Division of Baseball Ontario has been renamed the Jays Mosquito Division and represents over 4800 enthusiastic future Major Leaguers across Ontario. The Blue Jays celebrate Baseball Ontario Day at the ballpark and all Provincial Champions are recognized on field during a pre-game parade! Rogers Operating Companies have stepped up to the plate to expand this partnership by sponsoring three additional divisions of Baseball Ontario.

TORONTO BLUE JAYS OWNERSHIP

On March 26, 1976, the American League granted an expansion franchise to a group consisting of Labatt Breweries, Imperial Trust Limited and The Canadian Imperial Bank of Commerce. Both Labatt Breweries and Imperial Trust each controlled 45% of the team. The C.I.B.C. had the other 10% of the club. Imperial Trust was a holding company set up by the late R. Howard Webster, who was instrumental in the granting of the franchise in 1976. The Webster family still maintained their share of the ownership until selling their 45% to Labatt in November, 1991. The ownership then consisted of John Labatt Limited, 90% and Canadian Imperial Bank of Commerce, 10%. In June of 1995 John Labatt Limited was purchased by Interbrew S.A., Belgium's leading brewer.

In September of 2000, local ownership returned to the Toronto Blue Jays as Rogers Communications Inc. purchased 80% control of the franchise. John Labatt Limited (Interbrew) maintains a 20% interest while The Canadian Imperial Bank of Commerce relinquished their stake. In January of 2004 Rogers Communications Inc. acquired the remaining 20% of the Club. Rogers Communications Inc. now owns 100% of the Toronto Blue Jays Baseball Club.

On November 29, 2004, the Toronto Blue Jays reached an agreement with Sportsco International to acquire the former SkyDome. The purchase price for the stadium, now known as Rogers Centre, was approximately $25 million (CDN).

The Blue Jays were named in a contest conducted in June and July of 1976. Over 30,000 individual entries were received, suggesting over 4,000 names for the new American League club. From the list of names submitted, specially-appointed panels of judges selected ten names to submit to the Board of Directors. The Directors chose the name "Blue Jays" from that list and announced their decision on August 12th, at which time the team officially became the Toronto Blue Jays Baseball Club.

A total of 154 people submitted the name "Blue Jays" and a drawing was held to select a grand prize winner from those who submitted the name. Dr. William Mills of Etobicoke, Ontario, won a pair of season tickets for 1977 and an all-expenses paid trip for himself and his family to watch the Blue Jays at spring training in Dunedin, Florida. Nine runners-up also won season tickets.

jays care foundation

JAYS CARE FOUNDATION IN THE COMMUNITY

Established in 1992, the Jays Care Foundation is working to ensure that children in need have the opportunity to make positive choices in life by providing programs that support physical activity, education, and life-skill development. Since its inception, the Jays Care Foundation has committed resources to the success of youth baseball initiatives in the city such as Rookie League Baseball and Field of Dreams and provides grants to local charities serving youth in our communities.

ROOKIE LEAGUE

The Jays Care Foundation, in partnership with Toronto Community Housing, runs "Rookie League" - an eight-week baseball day camp program for kids who live in Toronto Community Housing. Expanded to over 20 teams, Rookie League now has over 500 kids participating each summer where they learn about healthy life-skills and baseball! Through the support of Honourary Commissioner Vernon Wells, each participant receives a new glove, T-shirt and lunch throughout the camp.

In 2007, more than 200 children, from 22 Toronto Community Housing units across the city, were on the diamond for a series of baseball clinics put on by Blue Jays volunteers along with the professional expertise of Vernon Wells, Honorary Commissioner of the Rookie League and Jesse Litch. The kids were treated to a PIZZA PIZZA lunch and got to ask Vernon and Jesse a slew of questions during an interactive Q&A session. Vernon and Charlene Wells also donated back-to-school back-packs and supplies to all of the children in attendance. Reshaun Henry and David Oheme threw out the first pitch at that night's game and all the kids sat in the stands to see the pros at work! The Jays Care Foundation will host a **ROOKIE LEAGUE EQUIPMENT DRIVE** in partnership with the Baseball Tomorrow Fund and TCH on **May 3 & 4, 2008** to get ready for the 2008 Rookie League season. The **ROOKIE LEAGUE** season will **kick-off on July 10, 2008** and wrap up at the **ROGERS CENTRE on August 21, 2008.**

2007 SEASON IN REVIEW

FRANK THOMAS

2007 SEASON IN REVIEW

WHERE WE STACKED UP:

The Blue Jays finished the 2007 season with a record of 83-79, ranking 3rd in the AL East... Finished 13.0 games behind the 1st place Red Sox (96-66) & 11.0 games back of the Yankees (94-68)... Represents the 1st time Toronto has compiled winning records in back to back seasons since 1999 (84-78) & 2000 (83-79)... The Jays finished the season with just one losing month (May, 12-16)... It represents the 1st time since 1993 that Toronto managed to go an entire year with just one losing month.

ON THE HOMEFRONT:

The Blue Jays finished with a 49-32 mark at Rogers Centre... The 49 wins are tied for the 6th best total in Club history... 1991 ALL-STAR GAME

The 1991 All-Star Game was played at SkyDome (now Rogers Centre) in Toronto on Tuesday, July 9, 1991... It was the first time that the game had been held in Toronto and just the second time that it had been held outside of the United States (Montreal 1982)... Three Blue Jays players were selected to participate in the 63rd All-Star Game: second baseman Roberto Alomar, outfielder Joe Carter and pitcher Jimmy Key as well, manager Cito Gaston was a coach and Tommy Craig was named AL trainer... 52,382 fans came to SkyDome to watch the action unfold in person and millions more watched and listened to the mid-season classic on television and radio... 56 players from both the National and American Leagues came to Toronto to participate... Of those 56 players, 49 saw action as the American League defeated the National League by a 4-2 count... Toronto pitcher Jimmy Key was credited with the win in his second career All-Star Game appearance... Joe Carter was 1-1 with a run scored and Roberto Alomar went 0-4... It was the fourth consecutive win for the American League dating back to 1988.

STIEB'S NO-HITTER

SEPTEMBER 2, 1990 at CLEVELAND — TORONTO 3, CLEVELAND 0

DAVE STIEB chalked up his first no-hitter and the first in BLUE JAYS history as he stopped the Cleveland Indians on a sunny Sunday afternoon at Cleveland Stadium before a crowd of 23,640.

The game ended as Cleveland's Jerry Browne whacked a fly to right field where JUNIOR FELIX put the squeeze on it.

Stieb had a season high nine strikeouts and walked four over his 122-pitch afternoon.

There were no tough plays and only a couple of well hit balls. Closest the Tribe came to a hit was KEN PHELPS pulling a liner about three feet foul to open the eighth inning.

The BLUE JAYS and STIEB got their offensive support from FRED McGRIFF who hit two solo home runs and from MANNY LEE who doubled home KENNY WILLIAMS in the fifth inning.

Stieb had previously gone 8.2 innings, three times, protecting no-hitters. He had back-to-back attempts in September 1988; on September 24, 1988 at Cleveland Stadium, JULIO FRANCO had a bad hop single over second baseman MANNY LEE's head. In his next start, against Baltimore at Exhibition Stadium, JIM TRABER looped a single over his first baseman FRED McGRIFF's outstretched glove hand. Both no-hit bids were lost on 2-2 pitches. STIEB also had a perfect game for 8.2 innings on August 4, 1989 vs the Yankees at SkyDome. ROBERTO KELLY doubled to left to break it up.

10 CONSECUTIVE HITS

The Toronto Blue Jays tied an American League record September 4, 1992 at SkyDome by collecting 10 consecutive hits in an eight-run second inning against the Minnesota Twins.

The Blue Jays tied the mark set by the Boston Red Sox on June 2, 1901 and equalled by the Detroit Tigers on September 20, 1983.

The major league record of 12 straight hits was set by the St. Louis Cardinals in 1920 and equalled by the Brooklyn Dodgers in 1930.

With one out in the second, Toronto's Kelly Gruber reached on an infield single against Twins' starter Kevin Tapani. Singles by Pat Borders and Manuel Lee scored Gruber to cut Minnesota's lead to 3-1.

Devon White doubled in a run and Roberto Alomar followed with a two-run single to give the Blue Jays a 4-3 lead. Joe Carter tripled home Alomar and scored on Dave Winfield's single off reliever Tom Edens. Winfield was thrown out at second for the inning's second out, but John Olerud singled and scored on Candy Maldonado's triple to open a 7-3 cushion. Gruber's bloop double to right-center scored Maldonado and ended the string of 10 straight hits.

Borders flied to center to end the inning.

Toronto's previous club record was nine consecutive hits, set against California on July 3, 1992.

FREE AGENCY FOR PLAYERS ON THE 40-MAN ROSTER

Free agency came about in 1976 when 244 players refused to sign contracts and opted for, at season's end, the right to participate in a re-entry draft.

That draft took place in New York on November 4. Clubs were permitted to select players with whom they could negotiate. There was no compensationn for clubs who lost players in this draft.In later years, the draft was abolished and compensation was required.

Other than signing their own players who had opted for free agency and free agent players signed after being released, the Blue Jays' involvement in the free agent market has been:

MAJOR LEAGUE RULE 5 DRAFT, 1977-2007

Toronto has selected 29 players in the Major League Baseball Draft, since their inaugural season in 1977. Players with at least three years of professional service who are not protected on a team's major league roster are eligible for selection by another club for $50,000 (prior to 1985 the draft price was $25,000). The drafted player must remain with his new club for the full season or be offered back to his original club for $25,000. The drafting is in reverse order of previous season records and alternating between leagues. Following this major league draft, a separate selection is held by National Association clubs from class AAA to A levels. An "AAA" selection price is $12,000. An "AA" selection is $4,000.

Home uniform featured a white pullover shirt with dark blue lettering of "Blue Jays" and the team logo on the front and light blue numbers on the back ... Jersey featured dark blue, light blue and white piping around the neck and sleeves ... White beltless pants were worn with dark blue, light blue and white piping down the leg and around the Waistband ... Road uniform featured a light blue pullover jersey with "Toronto" written across the front in solid dark blue letters along with the team logo and solid dark blue numbers on the back ... Jersey featured dark blue, light blue and white piping around the neck and sleeves ... Piping removed from around the necks of both the home and road jerseys, but remained in dark blue, light blue and white around the jersey sleeves and down the pant legs ... 2003 – Club made temporary use of T-Bird logo as primary mark while beginning a rebranding process ... Toronto-based Brandid selected from competing firms to create new primary mark, revealed publicly in special ceremonies in September ... New mark features a styled blue jay extending to the left from "Jays" lettering based on traditional baseball script with three dimensional metallic letters ... Secondary mark features the blue jay extending from a letter "J" ... Marks feature the colours blue, metallic silver and metallic graphite with black and white accents, all drawn from the natural colours of the blue jay bird.

BLUE JAYS LEVEL OF EXCELLENCE

The Level of Excellence is the highest award bestowed by the Toronto Blue Jays Baseball Club, recognizing tremendous individual achievement. The names and, in some cases, uniform numbers of each of the honourees are displayed on large banners hanging in Rogers Centre's 500 Level. The inaugural recipients of this prestigious award were **OF GEORGE BELL** and **RHP DAVE STIEB**, jointly honoured during the 1996 season. In 1999, **OF JOE CARTER** and former manager **CITO GASTON** saw their names unveiled in the Level of Excellence. They were followed in 2001 by **SS TONY FERNANDEZ** and former general manager **PAT GILLICK** in 2002. During the 2004 season, the Blue Jays were proud to salute veteran broadcaster **TOM CHEEK** and his remarkable steak of 4,306 consecutive broadcasts during the Club's inception.

Outfielder **GEORGE BELL** spent nine seasons with Toronto and ranks second in Club history in total bases (2201), runs batted in (740) and extra base hits (471). Only Carlos Delgado and Joe Carter have hit more home runs in a Toronto uniform than Bell who clubbed 202 homers in his Blue Jay career. In 1987 he was named the American League MVP as he set franchise marks in home runs (47) and extra base hits (83). **BELL** made his first of two All Star appearances in 1987 when he became the first Blue Jay ever voted to the starting line-up. During his nine seasons **BELL** was a four-time club MVP, the Sporting News AL and Major League Player of the year in 1987, a three-time Sporting News Silver Slugger, a two-time Sporting News All Star team selection and the American League Player of the Week eight times. The 6'1" right hand batter also set a Major League record hitting three home runs on Opening Day, April 4, 1988 at Kansas City.

DAVE STIEB is the franchise leader in wins (175), innings pitched (2873.0), strikeouts (1658), starts (408), shutouts (30) and complete games (103). **STIEB** spent 15 seasons with Toronto, longer than any player in franchise history. **STIEB** appeared in an American League record seven All Star games and was the starting pitcher in both 1983 and 1984. **DAVE STIEB** also recorded the only no-hitter in Blue Jays history on September 2 1990 against the Indians in Cleveland. In 1982 he was named the Sporting News Pitcher of the Year after a 17-14 season with a 3.25 ERA and led the league in innings pitched (288) and complete games (20). **STIEB** was the Blue Jays Pitcher of the Year six times, a three-time winner of the American League Pitcher of the Month and a three-time winner of the American League Player of the Week.

Outfielder **JOE CARTER** is second in franchise history in home runs with 203 but will forever be remembered for just one, the ninth inning blast on October 23 to win the 1993 World Series. In 1,039 games from 1991 to 1997 with Toronto, **CARTER** hit .257 with 578 runs scored, 218 doubles, 28 triples, 203 home runs with 736 RBI and 78 stolen bases. In his seven seasons he represented Toronto in five All-Star games including 1991 in Toronto, his first season with the Blue Jays after he was acquired from San Diego along with Roberto Alomar on December 5, 1990 in exchange for Tony Fernandez and Fred McGriff. Along with his tremendous on-field accomplishments Joe and his wife were active off the field as the Diana & Joe Carter Foundation operated the "Jumpin' with Joe" program which provided needy children throughout the Toronto area with a day at Teen-Ranch, Christian Youth Camp and tickets for a Toronto Blue Jay game where Joe would speak to all of the children. He worked with many other charities including Ronald McDonald House and also hosted an annual charity golf tournament. In his 16 year major league career Carter hit .259 with 432 doubles, 396 home runs and 1,445 RBI while playing for the Chicago Cubs (1983), the Cleveland Indians (1984-1989), the San Diego Padres (1990), the Toronto Blue Jays (1991-1997), the Baltimore Orioles (1998) and the San Francisco Giants (1998).

CITO GASTON led the Blue Jays to two World Championships, two American League Championships, four American League East titles and a franchise record 681 wins in his nine seasons as the Manager from 1989 to 1997. **GASTON** started as the Blue Jays hitting coach in 1981 where he groomed many young players including George Bell, Lloyd Moseby, Cecil Fielder, Jesse Barfield and Fred McGriff. In 1989 he served as the interim manager of the club before he was named the fifth manager in club history on May 31, 1989. He had the privilege of Managing in two All-Star games, 1993 and 1994. During his years as manager Cito gave much of his time to charity events throughout Toronto including the annual Cito Gaston Golf Classic. Gaston returned to the Blue Jays for two seasons as hitting coach in 2000 and 2001. Was named Club Ambassador and Special Assistant to the President and CEO, along with former Blue Jay right-hander Pat Hentgen, in early 2007.

TONY FERNANDEZ retired as the franchise leader in games (1,450), at-bats (5,335), hits (1,583), triples (72), second in doubles (291), third in runs (704), total bases (2,198), and average (.297), fourth in walks (439) and stolen bases (172) and fifth in extra-base hits (425). **FERNANDEZ** had four separate stints with the Blue Jays resulting in 12 seasons and was a member of the 1993 World Series Champions where he led the team with nine RBI and batted .333 in the six WS games. **FERNANDEZ** was selected to play on five All-Star Teams, including four with Toronto, and won four straight AL Gold Glove Awards at shortstop from 1986-1989 with the Blue Jays. **FERNANDEZ** is 3rd on the All-Time hits list for a Dominican born player. He was selected as the shortstop on the 25th season Blue Jays All-Time Roster and in 2001 set Club single season pinch-hit records with 16 hits and 10 RBI.

PAT GILLICK, who was instrumental in building the organization from an expansion team in 1977 to World Series Champions in 1992 and 1993, was the sixth man to be honoured by the Toronto Blue Jays to the Level of Excellence. **GILLICK** began his exceptional career with the Blue Jays in 1976 as the Vice President of Player Personnel. Through his work during the early years with the organization, he developed what many referred to as the "blueprint for developing an expansion franchise." **GILLICK** was responsible for the development of players like Dave Stieb, Jesse Barfield and Jimmy Key through the draft and utilized the Major League Rule 5 draft to secure talents such as Willie Upshaw, George Bell, Jim Gott and Kelly Gruber. **GILLICK** was also known for completing shrewd trades to acquire the likes of Alfredo Griffin, Damaso Garcia and Fred McGriff and assembling talent like Tom Henke, Joe Carter, Roberto Alomar, Devon White, Dave Winfield, Jack Morris and Paul Molitor. During his tenure, the Blue Jays produced 11 consecutive winning seasons from 1983 to 1993 and in that span, the Toronto Blue Jays brought five American League East Division titles to Toronto, two American League Championships and World Series victories in 1992 and 1993.

TOM CHEEK passed away on October 9, 2005 after a lengthy and brave battle with brain cancer ...Cheek stood as the radio voice of the Blue Jays and, as one fan wrote, the "soundtrack of summer in Toronto" since the Club's inception through 2004. He broadcast 4,306 consecutive regular season games (and an additional 41 postseason contests) from 1977 through the midway point of the 2004 season when he was called away from the booth first by the sudden and ultimately passing of his father and later by his own personal health problems. The banner in the Level of Excellence bearing his name, first unveiled in formal ceremonies held on August 29, 2004, is adorned with the number 4, 306. That pays tribute to his longevity as the iron-man of baseball broadcasting. A veteran of the radio industry, Cheek first joined the Blue Jays prior to the Club's inaugural season after spending three seasons working on Montreal Expos broadcasts. He's been calling the balls, strikes and home runs ever since, starting with Doug Ault's big blasts on Opening Day in 1977. His call of Joe Carter's dramatic home run to win the 1993 World Series-"Touch 'em all Joe...you'll never hit a bigger home run in your life"- stands as one of the most memorable and famous moments in Canadian sports broadcasting history. In 2004, Cheek was included among the ten finalists for the National Baseball Hall of Fame's prestigious Ford C. Frick Award, recognizing broadcasting excellence. He was one of three finalists voted on to the ballot through online voting by fans conducted by the Cooperstown-based museum. In 2005, Cheek was once again named as one of ten finalists for this prestigious award.

SCOUT OF THE YEAR AWARD

The Scout of the Year Award was first presented in 1985. The award and selection process was developed by three scouts; Tony Pacheo (Houston), Jim Russo (Baltimore) and Hugh Alexander (Philadelphia). Each year, Scouting Directors from each Major League club submit the names of their scouting personnel who have accumulated 20 years of scouting experience in a full-time capacity. The Scouting Association conducts the voting... The awards are divided into three sections; one for each area of the United States (East, Mid-West, West)... The award recognizes the scout who has excelled in scouting, professionalism and performance on the job.

BOBBY MATTICK AND AL LAMACCHIA AWARDS

In 1996 the Blue Jays organization established two awards, the **Bobby Mattick Player Development Award** and the **Al LaMacchia Scouting Award**. The awards were created to acknowledge the dedication, success and work ethics of Blue Jays baseball operations personnel, attributes so aptly displayed by the awards' namesakes. The Bobby Mattick Award was named after the longtime baseball executive who had spent 25 years of his career with the Blue Jays. Mattick was responsible for the development of many of the young players who have gone through the Blue Jays system. As well as being Director of Player Development for many years he also managed the Major League Blue Jays for two seasons in 1980 and 1981. The Al LaMacchia Award was named after the veteran scout who spent 20 seasons with the Blue Jays. The contributions of Al's scouting talents have been deeply etched in the Blue Jays short history.

Martin batted .293, had a slugging percent-

1985 AMERICAN LEAGUE CHAMPIONSHIP SERIES

TORONTO vs KANSAS CITY

As the Blue Jays entered post season play for the first time, they would face the Kansas City Royals in the first ever best-of-seven American League Championship Series. The Blue Jays, who finished nine games ahead of the Royals in the loss column, were the favourites and would enjoy the extra home game.

GAME #1: Dave Stieb lived up to superstar billing, shutting out the Royals on three hits through eight innings with no base runner advancing past second base. The Blue Jays struck quickly with two runs in the second, three in the third and one in the fourth. The Blue Jays offense was sparked by 2 RBI performances by Ernie Whitt and Tony Fernandez.

GAME #2: A much more even affair with the Blue Jays eeking out a 6-5, 10-inning win. The Royals jumped into a quick 3-0 lead after 3½ innings primarily on the strength of a 2 run HR by Willie Wilson in the 3rd inning. The Blue Jays rallied and took the lead on a George Bell sacrifice fly in the 8th. The Royals rallied, however, in the 9th on a pinch hit HR by Pat Sheridan with the go ahead run being delivered in the 10th on a Frank White single. The Blue Jays won it in the bottom of the 10th on a two-out 2 run single by Al Oliver. On to Kansas City, the Blue Jays were up 2 games to none.

GAME #3: George Brett put on a baseball clinic going 4-4, 2 HR's, 3 RBI with 4 runs scored enroute to a 6-5 Royals win. Leading 5-2 after 4½ innings the Blue Jays squandered the lead for good in the 8th when Brett led off the inning with a single and eventually scored.

GAME #4: The Blue Jays came within one win of a World Series berth with a 3-1 come-from-behind victory. The Blue Jays won the game dramatically with 3 runs in the top of the ninth inning, the big blow being a 2 run pinch hit double by Al Oliver.

GAME #5: LHP Danny Jackson went the distance checking Toronto on 8 hits and scoring a run in each of the first two innings. Blue Jays still led the series 3 games to 2.

GAME #6: The Blue Jays and Royals returned to Exhibition Stadium. Entering the 5th inning tied at 2-2 George Brett once again delivered the decisive blow with a solo HR. And, with 3.2 shutout innings of relief from Buddy Black and Dan Quisenberry, the Royals pulled even in the series for the first time at three games apiece.

GAME #7: Dave Stieb, the ace of the Toronto staff vs eventual Cy Young Award winner Bret Saberhagen. The Royals came out on top 6-2 shellacking Dave Stieb for six runs in 5.2 innings. The big blow being a wind-assisted bases clearing triple by Jim Sundberg to cap a four run 6th inning.

The Kansas City Royals became only the 5th club in major league history to trail a series 3 games to one and come back to win the series. The Blue Jays? They slumped immediately after scoring five runs in the 5th inning of Game 3 scoring only eight runs in the last 40 innings.

1989 American League Championship Series

TORONTO vs OAKLAND

For the second time in five seasons, the Blue Jays were American League East Division Champions. The Blue Jays would face the Oakland Athletics who had the best record in the Major Leagues in 1989.

GAME #1: The Blue Jays surrendered 2-0 and 3-1 leads as the Athletics scored three times in the sixth and twice in the eighth to win 7-3. In the sixth inning Mark McGwire cracked a lead off HR to tie the game and two runs scored when Carney Lansford's double play ball was botched. Dave Stewart allowed five hits over eight innings for the win.

GAME #2: The Athletics tallied twice in the fourth inning and three in the sixth en route to a 6-3 win. As outfielder Rickey Henderson was a one-man wrecking crew going 2-for-2 with two runs scored and four stolen bases. Athletics' righthander Mike Moore allowed just three hits and an unearned run in seven innings.

GAME #3: The Blue Jays snapped a five game post season losing streak dating back to 1985 with a convincing 7-3 win. The Blue Jays jumped on Athletics' starter Storm Davis for four runs on four hits in the fourth inning and salted the game away with another three runs in the seventh inning. The win ran the Blue Jays' record to 11-0 at SkyDome with the roof closed. Overcoming a 3-0 Athletics' lead Mookie Wilson and Tony Fernandez paced the Blue Jays with two hits apiece, the latter with two doubles.

GAME #4: The Athletics took a commanding 3-1 lead in games with a 6-6 win over the Blue Jays. Rickey Henderson was again a major catalyst with two HR's which accounted for four RBI. The Blue Jays collected 13 hits, 11 of which were singles and attempted to overcome a 5-2 deficit with one run in the sixth and seventh innings and two in the eighth.

GAME #5: The Blue Jays spotted the Athletics a 4-0 lead into the seventh inning before eventually losing the game 4-3 and the best-of-seven series in five games. Trailing 4-1 after eight innings the Blue Jays scored twice in the ninth inning on a leadoff HR by Geroge Bell and a sacrifice fly by Kelly Gruber.

Epilogue: In essence it was Rickey Henderson defeating the Blue Jays four games to one. Henderson batted .400, slugged 1.000, had a .609 on-base percentage and swiped a LCS record eight stolen bases. The Blue Jays hit .242 as a team (compared to Oakland's .272) with only eight of their hits being for extra bases. They were outscored 8-3 in the first three innings and 12-7 in the middle three before outscoring the Athletics 11-6 in the final three innings. Unfortunately it is virtually impossible to consistently battle back from an early inning deficit. Although anything can happen in a "short series" the best team of the regular season continued that charted course into post-season, winning eight of nine contests.

1991 American League Championship Series

TORONTO vs MINNESOTA

In 1991, the Toronto Blue Jays won the American League East for the third time in the history of the organization. The Blue Jays faced the Western Division Champion Minnesota Twins in a series that would decide the American League Champion. The Minnesota Twins emerged victorious as they won the best of seven games series by a 4 games to 1 count. Below is a summary of the series.

GAME #1: Toronto starter Tom Candiotti lasted just 2.2 innings and allowed five earned runs before being lifted in favour of David Wells. The Twins would not need to score another run. The Blue Jays rallied for a run in the fourth and three runs in the sixth on five consecutive hits off Twins starter Jack Morris. Those four runs would be all Toronto could muster as they lost 5-4 at the Metrodome.

GAME #2: Toronto took an early lead as they jumped on Twins starter Kevin Tapani, scoring three times in the first three innings. Rookie Toronto starter Juan Guzman lasted 5.2 innings allowing four hits and just two earned runs before the ball was handed to the bullpen. Tom Henke and Duane Ward combined for 2.1 innings of shutout relief and six strikeouts. Devon White scored three of the five Toronto runs as the Blue Jays won their only 1991 ALCS game 5-2 in Minneapolis.

GAME #3: Joe Carter's first inning home run and a Candy Maldonado double put the Blue Jays ahead 2-0 until the sixth inning when the Twins were able to put their second run across the plate and tie the game at two apiece. Toronto starter Jimmy Key scattered five hits over six innings and allowed two earned runs. The game went into extra-innings and ended in dramatic fashion as Mike Pagliarulo;

pinch hitting for Scott Leius, homered to right off of Blue Jays reliever Mike Timlin. Toronto was retired 1-2-3 in their half of the tenth as the Twins defeated Toronto 3-2 at SkyDome.

GAME #4: Blue Jays starter Todd Stottlemyre allowed seven hits in 3.2 innings before exiting with Toronto trailing 4-1. The Twins' Kirby Puckett hit his first home run of the series and Dan Gladden collected three RBI on three hits to pace Minnesota to a 9-3 win at SkyDome. It was Jack Morris' second win of the ALCS as he pitched eight innings allowing just two runs.

GAME #5: Kirby Puckett displayed his power once again as he homered in the first inning off Tom Candiotti to put the Twins ahead 1-0. Toronto put together three runs in the third and a pair in the fourth to go ahead 5-2. Minnesota was able to post three runs in their half of the sixth inning and tie the game at five. Duane Ward was handed the loss for Toronto as he allowed three runs in the eighth. Toronto was shutdown by five shutout innings of relief. Devon White, Roberto Alomar and Manuel Lee each collected a pair of hits in the losing effort as Minnesota took the American League crown with an 8-5 win.

1992 American League Championship Series

TORONTO vs OAKLAND

GAME #1: Home runs were the story of the game as Oakland used three of them to beat the Blue Jays 4-3. The A's scored three runs in the second inning off Toronto starter Jack Morris on back-to-back homers by Mark McGwire and Terry Steinbach. The 3-0 lead stood until Pat Borders homered off Dave Stewart in the Blue Jays' fifth followed by a Dave Winfield homer in the sixth making the score 3-2. John Olerud tied the score at 3 in the bottom of the eighth with a two out single off reliever Jeff Russell scoring Winfield who had doubled in the previous at-bat. Harold Baines broke the tie with a solo shot to lead off the ninth and Dennis Eckersley shut down the Blue Jays in the home half of the ninth to seal the 4-3 Oakland victory.

GAME #2: The Blue Jays were able to rebound from a Game #1 loss as David Cone held the A's to just one run over 8.0 innings en route to a 3-1 win. Cone, the Major League's strikeout leader in 1992, fanned six as he collected his second career post-season victory. Mike Moore lasted seven innings in the losing effort for Oakland. Kelly Gruber doubled and hit a 2-run homer in the fifth which would prove to be the winning runs. Closer Tom Henke came on for the save in the ninth, his first ever post-season save.

GAME #3: For the first time since 1985 vs Kansas City, the Blue Jays put together a pair of wins in the post-season as they got past the A's 7-5. Toronto starter Juan Guzman notched his second career LCS win in as many starts (1991 vs Twins) lasting six inning before being lifted in favour of Duane Ward. Tom Henke earned his second save in as many games. Despite being out-hit 13-9 by the A's, 4 of Toronto's hits went for extra-bases including homers from Alomar (solo) and Maldonado (solo). The A's collected just 1 extra-base hit.

GAME #4: In what appeared at first to be a certain Oakland victory, the Toronto Blue Jays fought back to erase a five run deficit late in the game sending the game into extra-innings. Oakland batted around earning five runs in the third inning as they jumped on Toronto starter Jack Morris. The A's added another run in the sixth making the score 6-1. Toronto began their comeback in the top of the eighth as they strung together five consecutive hits. By the end of the inning, the score was 6-4. The A's were held of the board in the bottom of the eighth but in the top of the ninth, Devon White started off the inning with a single that was misplayed allowing White to get to third base. Roberto Alomar then homered off Dennis Eckersley to tie the game at 6-6. Toronto eventually won the game in the eleventh as they scored a run off Kelly Downs to win 7-6.

GAME #5: Oakland starter Dave Stewart held the Blue Jays in check for nine innings scattering seven hits, allowing just 2 runs as Oakland sent the series back to SkyDome. The complete game win was Stewart's first win of the 1992 post-season. The 6-2 loss for the Blue Jays ended their three game win streak. David Cone took the loss for Toronto. He lasted just 4.0 innings before Jimmy Key made his first appearance of the 1992 playoffs. Ruben Sierra homered and drove in 3 runs for the A's. Devon White notched 3 hits on the day including a double in the losing effort.

GAME #6: Toronto scored a pair of runs in the first on a Joe Carter homer off A's starter Mike Moore. The Blue Jays then added four more runs in the third including a Candy Maldonado 3-run homer to put Toronto ahead 6-0. Blue Jays' starter Juan Guzman went seven innings allowing just five hits and striking out eight before the ball was handed to Duane Ward in the eighth with the score Toronto 7, Oakland 1. The A's managed a run in the top of the eighth but the home town Blue Jays secured the win as Tom Henke tossed a perfect ninth sending Toronto to its first ever World Series with a 9-2 win over Oakland.

1992 WORLD SERIES

TORONTO vs ATLANTA

GAME #1: In the first game of the 89th World Series, the Blue Jays suffered a 3-1 loss to the Atlanta Braves. Home runs were the story of the game as Toronto took an early 1-0 lead in the fourth on a Joe Carter solo homer off starter Tom Glavine. It would be the only run Toronto would score. Jack Morris continued his shutout innings streak vs the Braves extending it to 18.0 innings until a 3-run homer by catcher Damon Berryhill in the sixth inning ended the streak. Glavine went the distance for the Braves becoming the first pitcher to toss a complete game in a World Series opener since Jack Morris accomplished the feat in 1984 vs San Diego.

GAME #2: Reserve catcher Ed Sprague proved to be the hero for the Blue Jays on this night at Fulton County Stadium. David Cone lasted just 4.1 innings allowing 4 runs over that span before exiting in favour of David Wells. Cone also contributed at the plate with a pair of hits and an RBI. His two hits marked the first two hit game by an AL pitcher in the World Series since Mickey Lolitch went 2-4 on October 3, 1968. Heading into the eighth inning, the Blue Jays trailed 4-2. After a run in the top of the eighth Toronto entered the ninth inning trailing by 1. After a Pat Borders fly out, rookie Derek Bell (pinch hitting for Lee) walked. Ed Sprague then pinch hitting for the pitcher Duane Ward knocked a first pitch offering from Jeff Reardon over the left field fence to put the Blue Jays ahead 5-4. Tom Henke was able to retire the Braves in the bottom of the ninth for the save.

GAME #3: The game marked the first time the World Series had been played outside of the United States as the series moved to SkyDome. In another pitching duel, Steve Avery and Juan Guzman both went 8.0 innings. Atlanta was kept off the board in the fourth with a splendid defensive effort by Devon White. White ran down a deep drive off the bat of Dave Justice that sent Devon into the wall to make the catch. White returned the ball to the infield where Pendleton was doubled-up off first. The Blue Jays drew first blood in the fourth inning as Joe Carter connected for his second homer of the series, a solo shot putting Toronto ahead 1-0. In the sixth inning, the Braves rallied to tie things at 1-1. Each team traded runs in the eighth keeping the game knotted at 2-2. The Braves attempted a rally as Duane Ward came on to pitch the ninth. But after a key double play and a strikeout the inning was over. In the home half of the ninth, Roberto Alomar started the inning off with a leadoff single. After stealing second and a Dave Winfield sacrifice, Alomar stood at third with one out. Jeff Reardon came in to try to halt the Blue Jays' advance but Candy Maldonado with the

bases loaded, hit a 2-strike pitch to right centre for a base hit allowing Alomar to score the winning run.

GAME #4: In what was the third consecutive 1-run game of the 1992 World Series, the Blue Jays posted a 2-1 win behind a strong pitching effort from starter Jimmy Key. Key went 7.2 innings allowing just 5 hits and 1 earned run while striking out six Braves batters. Toronto earned their first run in the third inning as catcher Pat Borders continued on his post season hit streak with a solo homer to left. Toronto made the score 2-0 in the seventh when Devon White drove in Kelly Gruber from second base. Atlanta managed to score a run in their half of the eighth as Ron Gant led off with a double and eventually scored on a Mark Lemke groundout. Tom Henke came in to pitch the ninth for Toronto and tacked up a 1-2-3 inning for his second save of the series.

GAME #5: The game began in similar fashion as the previous four. Entering the fifth inning, the game was tied at 2-2. The Braves had collected a run in the first and fourth inning while the Blue Jays captured runs in the second and fourth. The fifth inning proved to be Atlanta's inning as they crossed the plate five times to seal the victory and send the series back to Atlanta for at least one more game. The fifth inning began for the Braves with 2 consecutive routine outs. An Otis Nixon single started the ball rolling and the Braves eventually loaded the bases on Toronto starter Jack Morris. Lonnie Smith stepped up to the plate and sent Morris' 1-2 offering over the right field wall for a grand slam making the score 7-2. The score remained the same over the final four innings making a winner out of John Smoltz.

GAME #6: The Toronto Blue Jays make history as they capture their first ever World Series and bring the Commissioner's Trophy outside of the United States for the first time. The 11-inning game began with the Blue Jays scoring in their first inning of the game. Devon White led off the game with a single off starter Steve Avery. After a stolen base and a ground out by Alomar, White stood on third. Carter then drove in White with a sacrifice fly. Atlanta answered the call in their half of the third as Deon Sanders scored his fourth run of the series. Toronto returned the favour immediately as they regained the lead with a run in the top of the fourth on a Maldonado lead off homer. The score remained that way until the bottom of the ninth when Atlanta shortstop Jeff Blauser tied the game sending it into extra-innings. The tenth inning proved to be uneventful. In the eleventh, the Blue Jays led off with Jimmy Key popping out for out number 1. Devon White was hit by a Charlie Leibrandt offering. Alomar then singled to centre allowing White to move up to second. With two out, Dave Winfield stepped up to the plate and doubled down the left-field line allowing White and Alomar to score making it 4-2 Toronto. In the Braves eleventh, Atlanta was able to score once with Jimmy Key on the mound. Mike Timlin then came in to pitch for the Blue Jays with pinch runner Smoltz on third and two out... Otis Nixon attempted a drag bunt up the first base line, that was fielded by Timlin who threw to Carter at first in time for the final out.

1993 AMERICAN LEAGUE CHAMPIONSHIP SERIES

TORONTO vs CHICAGO

GAME #1: The Blue Jays took a 2-0 lead in the fourth inning when third baseman Ed Sprague tripled to right field with Olerud and Molitor on base. Chicago then used their half of the fourth inning to produce three runs on two hits as they sent nine men to the plate. Toronto starting pitcher Juan Guzman managed to hold the White Sox in check for six innings but walked 8 batters and stranded 11 Chicago runners before exiting with a 5-3 lead. Jack McDowell lasted 6.2 innings allowing thirteen hits and all seven Toronto runs before the White Sox relief corps came on to hold Toronto for the remainder of the game. Danny Cox worked a shutout seventh and eighth allowing a single by Ozzie Guillen. Duane Ward came out for the ninth and walked the first two batters before striking out the side to end the Chicago threat.

GAME #2: Both clubs scored once in the first inning but it was the Blue Jays that would prevail as their two-run fourth inning provided the edge. The 3-1 win saw Toronto take a two games to none lead in the best of seven games series. The fourth inning started with a pair of outs by Carter and Olerud. Paul Molitor then doubled off starter and loser Alex Fernandez. Next, Tony Fernandez singled to score Molitor and moved to second on the throw home. After an intentional walk to Ed Sprague, Pat Borders singled to second base but Joey Cora threw the ball away allowing the third Toronto run to score. Dave Stewart worked six strong innings surrendering just four hits (all singles) and one run for his seventh career ALCS win against no losses. Al Leiter was credited with a hold as he pitched the seventh and eighth innings before closer Duane Ward came in to save the game in the ninth.

GAME #3: Nineteen game winner, Pat Hentgen started for Toronto but could not collect a win on this day as Toronto suffered their worst defeat of the series losing 6-1. The Blue Jays were able to hold off the White Sox attack until the third inning when they sent 10 players to the plate and combined for five runs on five singles. Hentgen lasted just three innings plus 2 batters before he was removed in favour of Danny Cox. Toronto scored their lone run in the bottom of the third as Rickey Henderson scored from third on a Devon White single. Wilson Alvarez, the Chicago starter pitched a complete game for his first career ALCS victory. He permitted just seven hits while issuing two walks and striking out six. Tim Raines provided most of the offensive support for Chicago going 4-5 with a run scored.

GAME #4: A two run home run by centre fielder Lance Johnson in the second inning gave the White Sox a 2-0 lead over Toronto. The light hitting Johnson had not hit a home run since the 1992 regular season. Todd Stottlemyre, making his first start of the 1993 ALCS lasted six innings for the home team but failed to hold onto a 3-2 lead that was handed to him in the third when Toronto batted around on rookie starter Jason Bere. The right hander lasted just 2.1 innings before being pulled in favour of Tim Belcher. Stottlemyre allowed three more Chicago runs in the sixth including a Frank Thomas solo homer and a Lance Johnson triple before departing. Roberto Alomar doubled home Henderson in the bottom of the sixth to cut the Chisox lead to one (5-4) but the visiting White Sox notched a single run off Al Leiter in the seventh and another run off Mike Timlin in the ninth to seal the win by a 7-4 margin.

GAME #5: As was the case with each of the previous four games, the team that scored first emerged victorious. This time, Toronto scored first when Rickey Henderson crossed the plate in the first inning after leading off the game with a double and a stolen base. Starting pitcher Jack McDowell allowed a Toronto run in the second and third before being lifted following just 2.1 innings. Meanwhile, Blue Jays starter Juan Guzman cruised through the first 4.1 innings without allowing a hit or a walk until Ellis Burks went deep to left field for what would be the only blemish on Guzman's slate that afternoon. He lasted seven innings permitting just two hits while walking one and striking out six. Roberto Alomar reached base in all five plate appearances (3 hits, 2 walks) to lead the

Toronto attack. Tony Castillo worked a scoreless eighth allowing a single and a base on balls. Duane Ward had some difficulty in the ninth. He struck out Joey Cora and Frank Thomas following a single to lead off the inning by Raines. He then issued a two run homer to Robin Ventura that brought Chicago within two. With the tying run at the plate, Ward struck out Bo Jackson to end the game and preserve the 5-3 Toronto win.

GAME #6: With his 7-0 record in ALCS play on the line, Blue Jays' starter Dave Stewart provided the win which put Toronto into their second consecutive World Series as the Blue Jays won 6-3 over Chicago. Toronto scored first with a pair of runs in the second inning as a 2-out single by catcher Pat Borders off Alex Fernandez cashed in John Olerud and Paul Molitor. The White Sox tied the game in the third inning when a bases loaded walk by Frank Thomas and a fielder's choice by Robin Ventura scored two runs. Stewart managed to restrict the Chisox to just 4 hits and 2 earned runs before handing Duane Ward a 3-2 lead after 7.1 innings. Ward struck out the final two batters to end the eighth. Toronto added to their lead as Devon White homered off reliever Scott Radinsky to make the score 4-2. Toronto added two more runs before the inning was over as Paul Molitor tripled to centre. Duane Ward allowed his second home run of the series as Warren Newson hit a solo shot in the bottom of the ninth but that was all the scoring that the Pale Hose would achieve as the Blue Jays were crowned American League Champions for the second straight season.

1993 WORLD SERIES

TORONTO vs PHILADELPHIA

GAME #1: For the first time in baseball annals, the World Series began on Canadian soil. The Blue Jays fell behind 2-0 in the first inning as the Phillies' catcher Darren Daulton singled home a pair of runs off starting pitcher Juan Guzman. After holding Philadelphia in check in the top of the second, Toronto rallied with two runs of their own on four singles off Curt Schilling. Both teams traded solo runs in the third and fifth to keep the score knotted at 4-4. With 1 out in the bottom of the sixth, John Olerud took a first pitch offering from Schilling over the right field fence for a solo home run putting Toronto ahead by one. Toronto scored what would prove to be the winning run in the bottom of the seventh as four consecutive hits by Borders, Henderson, White and Alomar produced an 8-4 lead heading into the eighth. Al Leiter, who would prove to be the winning pitcher, relieved Guzman to start the sixth and held the Phillies scoreless over 2.2 innings before turning the ball over to closer Duane Ward. Ward surrendered a run in the ninth inning as a Jim Eisenreich single scored John Kruk who had led off the frame with a single and moved to second on an error. Ricky Jordan flied out to Joe Carter for the last out to put Toronto ahead 1 game to 0 with the 8-5 win.

GAME #2: The big inning would prove to be the Philly advantage on this night as a Jim Eisenreich three run homer in the top of the third capped a five run inning that saw eight Philadelphia batters step up to the plate. Toronto starter and eventual loser, Dave Stewart lasted six innings with all five earned runs coming in that third frame. Toronto answered the Philly onslaught with a pair of runs in the bottom of the fourth as Joe Carter connected for his first of two World Series home runs. Philadelphia starter Terry Mulholland would allow just three runs over 5.2 innings before handing the ball to the bullpen. Lenny Dykstra led off the seventh inning with a solo homer off reliever Tony Castillo to stretch the Philly lead to 3 as the visitors were now ahead 6-3. Toronto scored one run in the eighth as Molitor led off with a double and eventually scored on an Olerud sac fly. Philly relievers Roger Mason (1.2 innings) and Mitch Williams (1.2 innings) closed out the game to preserve the 6-4 win and even the series.

GAME #3: The venue moved from SkyDome to Veteran's Stadium in Philadelphia for games three, four and five. This game featured solid pitching by the Blue Jays combined with a potent offence. The visiting Blue Jays jumped on Philly starter Danny Jackson in the top of the first as Paul Molitor drove home a pair of runs with a triple. He would also score as Carter lifted a sacrifice fly to right field. Molitor added a solo homer in the third to make it 4-0. Starting pitcher Pat Hentgen pitched six innings allowing just one run- that coming in the sixth as a two-out single by Eisenreich scored John Kruk who had reached base via a walk. Blue Jays added another run in the top of the sixth as Roberto Alomar scored on a sac fly after having reached base on a single and stealing second and third. Toronto continued to add to their lead as they scored three more runs in the seventh off reliever Ben Rivera. Roberto Alomar finished the night with a 4-hit game while Molitor had three hits, three runs and three RBI. Duane Ward surrendered a solo homer to Milt Thompson in the ninth to make the final score Toronto 10, Philadelphia 3.

GAME #4: In a slugfest, the Blue Jays put together one of the wildest comebacks in World Series history to beat the Phillies 15-14 and take a three games to one lead. Toronto opened the scoring with three in the first off Philly starter Tommy Greene. But the home team would take advantage of four first inning walks by starter Todd Stottlemyre as they scored four runs to move ahead 4-3. Philadelphia added two more runs to their tally as Lenny Dykstra connected for his second homer of the series, a 2-run shot in the second. The Blue Jays batted around in the third and collected four runs and sent Tommy Greene to the bench in favour of Roger Mason. Philadelphia then posted a five run fifth that included home runs from Dykstra and Daulton to extend their lead 12-7. Toronto countered with two runs in the top of the sixth as White and Alomar scored on a single and a ground out. The Phillies added a run in the sixth and one in the seventh to make the score 14-9. The Phillies relief corps could not hold Toronto from making a comeback. In the top of the eighth, the Blue Jays sent ten players to the plate. Devon White's triple with two out scored Pat Borders to tie the game and Rickey Henderson to put Toronto ahead 15-14. Mike Timlin started the eighth and struck out the first two batters he faced before Duane Ward came on to strikeout Dykstra to end the inning. In the ninth Ward hurled a 1-2-3 inning for his second save of the series in a game that took 4 hours and 14 minutes to play and was the highest scoring game in World Series history. Tony Fernandez had five RBI in the game and White had four.

GAME #5: Curt Schilling shutout Toronto 2-0 in what was the second ever shutout of Toronto in the post season. Pitted against Blue Jays ace Juan Guzman, he allowed just five hits (all singles) and struck out six Toronto batters for his first World Series win. The Phillies scored the only run they would need in the first inning when Dykstra, who had walked to lead off the game, scored on a John Kruk groundout. They added a second run in the very next inning as a pair of doubles cashed in Daulton. In the eighth, the Blue Jays threatened with a pair of runners on base but a strikeout by White followed by an Alomar ground out ended their attempt. Guzman was equal to the challenge as he went seven innings allowing both Philly runs while fanning six. The win sent the series back to Toronto with the Blue Jays holding a 3-2 edge.

GAME #6: Toronto started their quest for a second straight World Series Championship early as they notched three runs off Philly starter Terry Mulholland in the bottom of the first. A run in the fourth and a solo home run by Molitor in the fifth put Toronto up 5-1. Dave Stewart, the Toronto starter held the Phillies to just one run over his first six innings. In the seventh he surrendered a three run homer to Lenny Dykstra- his fourth of the series. That led to Stewart being pulled from the game. Reliever Danny Cox came in with none out and surrendered two more runs before the Phillies were halted by Al Leiter. The damage had been done and Philadelphia was now leading 6-5. After leaving the bases loaded in the eighth, Toronto made World Series history by erasing a 1-run lead in the bottom of the ninth. Mitch Williams came in to start the inning and he walked Rickey Henderson who led off. After a Devon White fly out, Molitor singled to centre to put runners at first and second. Right fielder Joe Carter then stepped up to the plate. On a 2-2 offering from Williams, Carter homered over the left field wall for a three run home run and propelled Toronto to its second consecutive World Series Championship with an 8-6 win.

WORLD SERIES RINGS

The Toronto Blue Jays commissioned Tiffany & Co., the world-renowned purveyor of fine jewellery, timepieces, and arts of the table to design rings commemorating both their 1992 and 1993 World Series victories.

To commemorate the 1992 Blue Jays victory, the 14 karat gold ring's design features the team's logo: the head of a Blue Jay with a maple leaf on a baseball backdrop. The eye of the bird is set with a solitaire diamond. Sixteen diamonds representing each year of the club's history surround the bird and the maple leaf is enamelled in red to match the team's official colour. The inscription of World Champions 1992 wraps around the bezel. One side depicts the team's name - Toronto Blue Jays - set in two lines across the top. The 1992 World Series logo is set in a maple leaf with the inscription - Canada's 1st - positioned below the logo denoting the first Canadian World Series victory. The other side depicts the player's name and the jersey number, the American League logo and the team's 1992 season attendance record - 4,028,318 - positioned below the American League logo. Each side of the ring is accented with two rows representing the stitches of a baseball.

The 1993 World Series Championship ring features the symbols of the Toronto Blue Jays and Canada. A field of 45 diamonds in a pave style setting surrounds the Toronto Blue Jays' logo: the head of a Blue Jay enamelled in the team's official colours overlapping another Blue Jay in gold. The eye of the Blue Jay is set with a diamond solitaire stone. Two Maple Leafs, enamelled in red, symbolize Canada's back-to-back World Series victories. Two baseballs overlay each other in the background. Each ring is personalized with each player's name and jersey number, and incorporating the American League logo and the World Series logo with the inscription "Back to Back" and the years 92-93.

PITCHERS AT THE PLATE

The Blue Jays never had a pitcher bat in a regular season game in their first twenty seasons.

In 1997 with the introduction of INTER-LEAGUE PLAY, Blue Jays pitchers took their turn hitting. WOODY WILLIAMS became the first Blue Jays pitcher to come to bat and also had the first hit, a single, in his second at bat off Curt Schilling on June 13, 1997. ROGER CLEMENS had the other Blue Jays hit, a double off the right-field wall at Shea Stadium against the New York Mets on September 2, 1997. He came around to score the first run ever by a Blue Jays pitcher.

In 2001 the Blue Jays hurlers combined to go 3-16 and collected the first RBI in franchise history by a pitcher. JOEY HAMILTON was 1-3 with a double and an RBI.

Blue Jays pitchers had their most productive season in 2003, batting a combined .214 with five runs scored, a home run and three RBI. On June 21 at Montreal, Mark Hendrickson became the first Blue Jay to homer in interleague play (1R of KIM). The six hits by Blue Jays pitchers were the most collected in 2003 by an AL staff and the most in any one season by the Blue Jays.

TEN HOME RUN GAME

The BLUE JAYS etched a page in the record book with a 10 HR performance against the Baltimore Orioles on September 14th, 1987. Following is a list of highlights from that game: In the 18-3 victory the BLUE JAYS received HR's from ERNIE WHITT (3), GEORGE BELL (2), RANCE MULLINIKS (2), FRED McGRIFF (1), ROB DUCEY (1) and LLOYD MOSEBY (1)... WHITT became the second BLUE JAYS player since Otto Velez on May 10, 1980 to hit three HR's in one game... The clubs combined to hit 11 HR's in the game, to tie the Major League mark... RANCE MULLINIKS hit his 10th and 11th of the season, enabling the BLUE JAYS to become the 12th team in major league history to have at least nine players with at least 10 HR's... A club mark with 53 total bases in the game was set... The club hit three HR's in the second inning, marking the third time in 1987 and seventh time in franchise history that the club had a three HR inning... ROB DUCEY hit his first Major League HR... Most players with two or more home runs, club, game was tied as three BLUE JAYS, Bell, Mulliniks and Whitt had multiple home run games. The 10 home runs surpassed the previous record of eight.

GRAND SLAM LEADERS

The Blue Jays have hit 102 grand slams in franchise history... 17 were hit at Exhibition Stadium, 44 on the road, 41 at Rogers Centre... the club has never hit two slams in a game... there have been three pinch-slams in Blue Jays history, Jesse Barfield, April 24, 1982 vs Boston, Tony Fernandez, September 4, 2001 vs New York (A) and Reed Johnson, July 1, 2005 at Boston.

Blue Jays Home Run Trivia

PLAYER WHO HOMERED IN THEIR FINAL MAJOR LEAGUE AT BAT

WILLIE AIKENS, April 27, 1985... he came to bat for last time, pinch-hitting at Texas in the ninth inning. Batting for Tony Fernandez against Tommy Boggs, Aikens crashed a dramatic game-tying, two-run homer and Toronto went on to win 9-8. Three days later, Aikens was "designated for assignment" winding up in the minor leagues.

DESIGNATED HITTER

As a designated hitter, **BRAD FULLMER** hit 32 home runs in 2000 to surpass the club mark of 25 home runs by a DH set in 1998 by **JOSE CANSECO**. Prior to 1998 the most home runs hit by a Blue Jays DH was 23 set by **DAVE WINFIELD** in 1992.

TWO IN ONE INNING, BATTER

JOE CARTER is the only Blue Jay to hit two home runs in one inning. He had his two on October 3, 1993 at Baltimore in the 2nd inning.

SWITCH HITTING HOME RUNS IN ONE GAME, BATTER

ROBERTO ALOMAR hit home runs from the both sides of the plate in the same game twice. He accomplished the feat, both at Rogers Centre. May 10, 1991 vs Chicago White Sox and May 3, 1995 vs Chicago White Sox. **DEVON WHITE** did so once with Toronto at Minnesota on June 1, 1992. **JOSE CRUZ Jr.** did it August 24, 1997 at Kansas City. The last Jay to do so was **GREGG ZAUN** on September 13, 2006 at Seattle.

40 HOME RUN SEASONS

In 1999 **CARLOS DELGADO** with 44 home runs and **SHAWN GREEN** with 42 home runs, became the first Blue Jays tandem to each hit 40 or more home runs in the same season. In 2000, the Blue Jays again had two players, **CARLOS DELGADO** and **TONY BATISTA** each hit 41, hit 40 plus homers in a season. Overall the Blue Jays have had six players, done seven times, hit 40 or more home runs in a season as **JESSE BARFIELD** hit 40 in 1986, **GEORGE BELL** hit 47 in 1987 and **JOSE CANSECO** hit 46 in 1998. **CARLOS DELGADO** is the only Blue Jay player to hit 40 or more home runs in a season three times (1999, 2000, 2003).

HOME RUNS BY THE FIRST TWO BATTERS OF GAME

DEVON WHITE and **ROBERTO ALOMAR** on August 18, 1991 at Detroit accomplished this feat for the first time in Blue Jays history. The second time occured on June 14, 2006 vs. Baltimore when **ALEX RIOS** and **FRANK CATALANOTTO** did so.

HOME RUN IN FIRST MAJOR LEAGUE AT BAT

AL WOODS as a pinch-hitter, on April 7, 1977 vs the Chicago White Sox at Exhibition Stadium in Toronto's first game ever.

JUNIOR FELIX, May 4, 1989 vs the California Angels at Exhibition Stadium.

HOMERING AT HOME

The 2000 Toronto Blue Jays set an AL record with 134 home runs hit at home. The 1970 Cleveland Indians set the previous mark when they hit 133 home runs at home. **TODD GREENE** homered in the 2nd inning of the Blue Jays final home game of the 2000 season to set the record.

MOST PLAYERS WITH 30 OR MORE HOME RUNS

The 2000 Blue Jays had four players hit 30 or more home runs, which tied the ML record. It was just the second time the feat had been accomplished in the AL as the Anaheim Angels also had four players hit 30 plus homers earlier in the 2000 season.

20 HOME RUNS AT THE ALL-STAR BREAK

The 2000 Blue Jays became the first team in ML history to have four players hit 20 or more home runs at the All-Star Break. **CARLOS DELGADO** hit 28, **TONY BATISTA** hit 24, **RAUL MONDESI** hit 22 and **JOSE CRUZ Jr.** hit 20.

MAJOR LEAGUE BASEBALL CLUB/MEDIA CHAMPIONSHIP SEASON REGULATIONS 2008

The following are Major League Baseball's regulations for Club/Media Relations. They are to be observed by all parties:

1. All accredited press, radio and TV representatives shall have pre-game access to the clubhouse. Each clubhouse is to be open to accredited media from three hours and 30 minutes prior to game time until 60 minutes prior to game time, except when the club is on the field for batting practice.

2. The working media shall have access to both clubhouses no later than 10 minutes following the final out of each game (including doubleheaders and day/night split admission games) for a period no longer than one hour unless reasonable access to players is not provided during that time, except for card-carrying members of the Baseball Writers Association of America, who will have unlimited access. If reasonable access is not provided, the clubhouse must remain open. Members of the media, other than BBWAA members, may make arrangements with the club PR Director for extended access.

3. Media credentials are not transferable.

4. Clubhouses, the dugouts and field are off-limits except to appropriate club, Commissioner's Office personnel and media bearing appropriate credentials. Club credentials are not to be issued to unauthorized personnel. The Commissioner's Office reserves the right to revoke inappropriately issued credentials.

5. Players will be available to the media before and after games for interviews. These periods should not be limited except for the pre-game period described in #1 above. Upon request by the media, players who had key roles in the first game of a doubleheader are to be made available for a time between games.

6. The trainer's room and players lounge may be off-limits to the media but each club controls these areas, and it is vital they not be used as a sanctuary for players seeking to avoid the media. It is very important to our game that ALL players are available to the media for reasonable periods and it is the player's responsibility to cooperate.

7. Ropes or other restraining barriers are not permitted to bar the media. A general code is to be observed by the media so uniformed personnel may do their work unimpeded. Media is to be allowed in foul territory, in an unrestricted manner, in an area which is not less than the territory between first and third bases, and which territory includes the area around the batting cage, except the dirt area around the batting cage.

8. Under no circumstances shall any club discriminate in any fashion against an accredited member of the media based upon race, creed, sex or national origin.

9. Physical abuse or threats directed to members of the media (and/or official scorers) by baseball personnel will not be tolerated. Disciplinary action, including fines and suspensions, will be considered in any cases that arise.

10. Visitors in the clubhouse, including accredited media members, should conduct themselves in a professional manner. There shall be no seeking of autographs, no touching or removing of equipment or personal items from lockers, and no sampling of players' food spreads. Clubhouses are work places. Clubhouse business should be conducted as expeditiously as possible with a minimum of disruption of regular game routines.

11. Live TV and/or radio interviews with uniformed personnel during the course of a game are not authorized or permitted, nor is attaching a microphone to any uniformed personnel permitted without approval from the Commissioner's Office. Microphones may not be placed in or adjacent to dugouts and/or bullpens in a manner that will allow uniformed personnel's remarks or conversations to be overheard during the course of a game without the prior approval of the Commissioner's Office.

12. Live telephone interviews are not allowed from the clubhouse or the field without prior approval of the club.

13. Telephones from both dugouts to the press box are to be maintained in working order for the purpose of providing information regarding special circumstances to the media during the course of a game. Explanations of injuries should be made as soon as possible (to both the media and fans in the stadium).

14. Accredited media are not required to sign in for clubhouse access.

15. Any club whose personnel violate these regulations will be disciplined. Any member of the media who violates these regulations will lose his or her accreditation.

2007 HALL OF FAME GAME RECAP

The Toronto Blue Jays appeared May 21 in the Hall of Fame Game at Doubleday Field in Cooperstown for the second time, with a chance to avenge a 7-1 Hall of Fame Game loss to the Baltimore Orioles in 1998. But the Blue Jays were again outslugged in 2007, losing 13-7 and falling to 0-2 in Hall of Fame Game play. Before the game, outfielder Vernon Wells won the Home Run Derby championship after he outhomered teammate Alex Rios 3-2 in the final round. Rios and Wells each hit six home runs on 10 swings in round one, and four homers on five swings in round two, forcing a sudden-death final.

TRANSACTIONS AND CONTRACTS

PLAYER LIMITS: 40 until opening day, when the number must be reduced to 25 until September 1, when it again becomes 40. The minimum number of active players maintained by each club throughout the championship season shall be 24.

TRADING REGULATIONS: The trading deadline is July 31.

Trades may be made with any other major league club in the period from the end of the championship season through July 31 (4:00 p.m. EDT) without waivers. Waivers are required, however:

1. If the assignment is to another major league club: From August 1 and ending at 5 pm EDT the day after the end of the season.
2. If assignment is to a minor league club, with right of recall, at any time after three years from the date the player first reported to a major league club during a championship season.
3. If assigned to a minor league club without right of recall, after acquiring three years service: At any time during the year.
4. If assigned to a minor league club, without right of recall, at any time prior to acquiring three years of service, special waivers are required between September 1 and the opening of the following season. If player is claimed, request may be withdrawn. If no claims are made, club has 7-day period in which to make assignment to minor leagues.

WAIVERS: A permission granted from all 30 clubs to assign a Major League player's contract to another Major League team or a minor league affiliate. Such permission is granted only for a specific period of time. The actual request is filed through the Commissioner's Office and is not disclosed to the public until the contract is rewarded.

PROCEDURES FOR OBTAINING WAIVERS:

- May request 7 players on any given business day.
- The waivers must be requested by 2:00pm ET on any business day.
- Waiver claiming period expires on the second business day after the initial request at 1:00pm ET.
- A Club desiring the assignment of a player on the waiver wire must submit a claim prior to 1:00pm ET on the last day of the claiming period.
- Priority for the waiver claim awards is given to the Club with the lowest winning percentage in the player's league when there are multiple claims submitted for the same player.
- If only one claim is entered, the claiming Club is eligible to be awarded the player contract.

- There is no specific limit on the number of claims that may be submitted on a particular day. However, no Club is permitted to exceed the 40-man or the 25-man roster limit.
- If a Club is awarded a player on a waiver claim which causes them to exceed the 40-man or the 25-man roster limit they must designate a different player for assignment.

FOUR WAIVER PERIODS:

- November 11-February 15
- February 16-April 28
- April 29-July 31
- August 1-November 10

All waivers that have been granted expire at 5:00pm ET on the last day of a particular waiver period.

TYPES OF WAIVERS

- ***OUTRIGHT WAIVERS (OR)***— this type of irrevocable waiver needs to be secured in order to Outright a player. An outright is to assign a player to a club's minor league affiliate without the right of recall. In other words, to remove a player from the 40-man roster. Also a player who has exhausted his options must clear this type of waiver if the club wishes to assign him to minor league affiliate. An outright waiver secured is good for entire waiver period. These waivers are needed from the 31st day of the season through August 31.
- ***SPECIAL WAIVERS (SPL)*** — also irrevocable, the special waiver is used for the same purpose as an outright waiver. One difference is these waivers are used from September 1 to the 30th day of the following season. A secured special waiver is good for seven days, as opposed to being good for an entire period like the outright waiver.
- ***UNCONDITIONAL RELEASE WAIVER (UR)*** — this irrevocable waiver is used for the purpose of an unconditional release of a player. At the time of the request the player shall be removed from all player limits. A player may be informed of the clubs intention to release him on a weekend, but the actual waiver process won't begin until the following business day. During the time a player is on an unexpired waiver request bulletin he may discuss employment with other clubs but may not contract with another club. If the player has been claimed, he must be informed the end of the two-day period that his contract has been claimed. The player has five days from the time he was notified of the claim to either accept the assignment or terminate his contract. If the player terminates his contract he forfeits termination pay. Termination pay may vary depending on the time of year.
- ***MAJOR LEAGUE WAIVER (ML)*** — this type of revocable waiver is common and it is used to either option a player to a club's minor league affiliate or assign a player outright to another Major league club from August 1st to the end of the regular season. A player claimed on this type of waiver may be pulled back by the requesting club. This is known as a waiver withdrawal. Generally a club needs to secure this type of waiver in order to option a player if the date of the assignment is three or more years after the date the player first reported to a Major League club during a championship season. One year shall be deducted from the above three-year period for each season in which the player may have been charged with an option prior to first reporting to a Major League club during a championship season. A claimed player pulled back by the requesting club may not be assigned and cannot be placed on waivers again (except for UR waivers) for 30 days. When ML waivers are asked for a second time in the same period the request shall state that it is irrevocable.

ASSIGNMENT OF PLAYER CONTRACTS:

- Ten and Five Rule: Players with ten or more years of Major League service (MLS), the last five of which have been with one Club, shall not be assignable to another Major League Club without the Player's written consent.
- When a player with five or more years of MLS is asked by his club to consent to an assignment to the National Association, he has three choices:

1. Accept the assignment, 2. Refuse the assignment, 3. Elect Free Agency

- Any player who has at least three years of MLS and whose contract is assigned outright to a National Association club may elect, in lieu of accepting such assignment, to become a free agent.
- Any player whose contract is assigned outright to a National Association club for second time or any subsequent time in his career may elect, in lieu of accepting such assignment, to become a free agent. Unlike a player with five or more years of MLS, this type of player does not have the option of refusing the assignment.

OPTIONAL ASSIGNMENT: To assign a player from the active 25-man roster to a minor league affiliate with the right of recall. The player remains on the 40-man roster.

RECALL: To add a player from your reserve limit (40-man roster) to the 25-man roster. This player must serve at least 10 days on option in order to be recalled unless he is replacing a player placed on the disabled list.

OUTRIGHT ASSIGNEMENT:

- MAJOR TO MINOR: to assign a player to the Club's minor league affiliate without the right of recall. The player is removed from the 40-man roster.
- MAJOR TO MAJOR: to assign a player from one Club's 40-man roster to another Club's 40-man roster. This transaction is more commonly known as a trade.

DESIGNATED FOR ASSIGNMENT:

- When a club that has reached it 40 and /or 25 man roster limit, either reinstates a player, or acquires a new player (through a selection, a signing, a trade or a waiver claim), they must designate a player for assignment or release. If they are going to assign the player, they must do it within 10 days.

WAIVER WITHDRAWALS:

- Waiver request may only be withdrawn on players who have been claimed on a Major League Waiver wire. If a player is claimed on a Major League Waiver wire, the request must be withdrawn within two business days or the contract will be awarded to the eligible club. During the two-day waiver withdrawal period the requesting Club can try to negotiate a deal with the eligible Club and make a waiver claim award under the terms of that deal.

WAIVER PRICES:

- Major League, Special and Outright Waivers are $20,000 or $25,000, while Unconditional Waivers are $1,00.

FREE AGENCY (RE-ENTRY): The 1985 collective bargaining agreement brought about changes in the free agency process. Following is the appropriate information:

Six years of Major League Service continues to be required to be eligible for free agency.

The Re-Entry Draft has been abolished.

A player has 15 days from the first day following the World Series to file for free agency.

If club and player proceed to arbitration, maximum salary cut rules do not apply.

Player who accepts former club's offer to arbitrate is not subject to repeater rights limitations.

SALARY ARBITRATION: Beginning in 1987, three years Major League Service required for eligibility.

Beginning in 1987, maximum cut rules do not apply if in immediately preceding year player won arbitration increase of over 50%.

Three-man panels heard cases instead of single arbitrators in 50 percent of the cases in 1998, 75 percent in 1999 and 100 percent in 2000 ongoing.

Beginning in 1987, arbitrator is officially instructed to give particular attention for purposes of comparison to salaries

of players with Major League Service no more than one annual service group higher than player who is arbitrating.

Beginning in 1991, a player with at least 2 but less than 3 years of Major League Service, shall be eligible for salary arbitration if: a)he has accumulated at least 86 days of service during the immediately preceeding season or b)he ranks in the top 17 percent in total service in the class of players who have at least 2 but less than 3 years of ML service, however accumulated, but with at least 86 days of service accumulated during the immediately preceeding season.

FIRST-YEAR PLAYER DRAFT (AMATEUR DRAFT) - REVISED FOR 1987: One selection meeting shall be conducted each year in June to be known at the "Summer Meeting".

Major League Clubs shall select in reverse order of their league standing at the close of the preceeding season (determined by the percentage of games it won). No club may transfer to another club its right to select.

A club may not transfer its Negotiation Right to any other club.

DISABLED LISTS:

15-Day: The player must remain off the active roster for a minimum of 15 calendar days, starting on the day following the player's last game.

60-Day: Same rules apply, however, this may only be used when the team's 40-man roster is full. Any player placed on the 60-day disabled list after August 1 may not play for the remainder of the season, including any post-season game.

EMERGENCY DISABLED LIST: Maximum number of players on list at one time-no limit. Minimum period of inactivity-sixty (60) calendar days. Players placed on this list after August 1st shall remain there for the balance of the season. This list may only be used when a club is at the maximum limit of 40 players.

TERMINATION PAY: One full season's pay if player released opening day or later. Thirty days pay for player who is released on the 16th day before opening day or earlier. If player is released after that 16th day prior to opening day he receives one additional day's pay (over the 30 days) for each additional day.

SERVICE TIME AND ROOKIES

MAJOR LEAGUE YEAR: 172 days constitute a full year in the major leagues.

MAJOR LEAGUE SERVICE:

- is credited for each day the player appears on an active roster or major league disabled list or suspended list.
- in the case of a player called up from the minor leagues, is credited beginning with the date he physically reports.
- in the case of a major league player who is traded and reports in the normal course, service is not interrupted.
- in the case of a player sent down to the minor leagues, is credited through the date of the assignment.
- in the case of a player who is unconditionally released, is credited through the date waivers were requested.
- in the case of a player designated for release or assignment (MLR 2), is credited after the designation, through the date of the actual assignment or the request for unconditional release waivers.
- for a player who appears on his club's opening day roster, is credited as of the earliest scheduled opener, without regard to the actual opening date of his own club.
- is credited at the rate of 172 days per "year", though the season is actually 182 days long.
- is not credited during any period or periods of optional assignment totalling 20 days or more during a single season.

ROOKIE QUALIFICATION: A player shall be considered a rookie unless, during a previous season or seasons, he has (a) exceeded 130 at bats or 50 innings pitched in the major leagues; or (b) accumulated more than 45 days on the active roster of a major league club or clubs during the period of a 25-man limit (excluding time in military service and time on the disabled list).

THE GAME

REGULATION GAME: A regulation game consists of nine innings unless extended because of a tie score or shortened because (1) the home team needs none of its half of the ninth or only part of it; or (2) because the umpire-in-chief calls the game after five completed innings. A regulation game may be less than five innings if the home team is ahead after the first of the fifth, or takes the lead or ties the score while at bat in the fifth.

TIE GAME: A regulation game that is called by the umpire-in-chief when both teams have the same number of runs is a tie game. Individual player performances are official and are entered in the records, but the game does not count in the league standings and may be re-scheduled at a later date.

NIGHT GAME: In the American League any game scheduled to start after 5:00 p.m. (i.e. 5:01 p.m., or later), will be considered a night game. If a game is scheduled to start at 5:00 p.m., and is delayed by rain or for any other reason, it will be considered a day game.

However, both games of a twi-night doubleheader shall be considered night games. When afternoon and night games are played on the same date and separate admissions are charged, they will be counted as one day and one night game, and will not be included in doubleheader statistics.

SUSPENDED GAME RULE:

Rule 4.12 SUSPENDED GAMES

(a) A league shall adopt the following rules providing for completion at a future date of games terminated for any of the following reasons:
  (1) A curfew imposed by law;
  (2) A time limit permissible under league rules;
  (3) Light failure or malfunction of a mechanical field device under control of the home club. (Mechanical field device shall include automatic tarpaulin or water removal equipment.);
  (4) Darkness because of any law, the lights may not be turned on.
  (5) Weather, if the game is called while an inning is in progress and before it is completed, and one of the following situations prevails:
    (i) The visiting team has scored one or more runs to tie the score, and the home team has not scored.
    (ii) The visiting team has scored one or more runs to take the lead, and the home team has not tied the score or retaken the lead.

(b) Such games shall be known as suspended games. No game called because of a curfew, weather, or a time limit shall be a suspended game unless it has progressed far enough to have been a regulation game under the provisions of Rule 4.10. A game called under the provisions of 4.12(a)(3) or (4) shall be a suspended game at any time after it starts.

(c) By amending NOTE to read as follows:

NOTE: Weather and similar conditions—4.12(a) (1 through 5)—shall take precedence in determining whether a called game shall be a suspended game. A game can only be considered a suspended game if stopped for any of the five (5) reasons specified in Section (a). Any legal game called due to weather with the score tied (unless situation outlined in 4.12(a)(5)(i) prevails) is a tie game and must be replayed in its entirety.

(d) A suspended game shall be resumed and completed as follows:
  (1) Immediately preceding the next scheduled single game between the two clubs on the same grounds;

or

  (2) Immediately preceding the next scheduled double-header between the two clubs on the same grounds, if no single game remains on the schedule; or

(3) If suspended on the last scheduled date between the two clubs in the city, transferred and played on the grounds of the opposing club, if possible:
   (i) Immediately preceding the next scheduled single game, or
   (ii) Immediately preceding the next scheduled double-header, if no single game remains on the schedule.
(4) If a suspended game has not been resumed and completed on the last date scheduled for the two clubs, it shall be a called game.

(e) A suspended game shall be resumed at the exact point of suspension of the original game. The completion of a suspended game is a continuation of the original game. The lineup and batting order of both teams shall be exactly the same as the lineup and batting order at the moment of suspension, subject to the rules governing substitution. Any player may be replaced by a player who had not been in the game prior to the suspension. No player removed before the suspension may be returned to the lineup. A player who was not with the club when the game was suspended may be used as a substitute, even if he has taken the place of a player no longer with the club who would not have been eligible because he had been removed from the lineup before the game was suspended.

SUSPENDED GAME: For the purpose of this rule, all performances in the completion of a suspended game shall be considered as occurring on the original date of the game.

SCHEDULE: The American League schedule for the 2008 season will be the 12th year to incorporate Inter-League Play.

PLAYING RULES: Spectator Interference—batter, runner and other runner(s) will be placed at the base(s) which the umpires feel they would have reached with no interference.

Time—ball is dead, play suspended. This sign used when ball is foul, umpire then pointing to foul territory.

Batted Balls Fair or Foul—if fair, umpire points to fair territory —if foul he raises arms overhead (as in "Time" above) and then turns and points to foul territory, and vocally calls "foul".

BAT AROUND: When all nine batters in a team's lineup come to bat during an inning.

DESIGNATED HITTER RULE: A hitter may be designated to bat for the pitcher in any spot in the batting order in any game without affecting the status of the pitcher. The designated hitter must be selected and be included on the lineup cards presented to the umpire-in-chief prior to the game. Failure to do so precludes the use of a designated hitter for that game.

The designated hitter is "locked" into the batting order but may be removed for a pinch-hitter or pinch-runner, who in turn becomes the designated hitter. The designated hitter, while still in the game, may be used defensively but the pitcher then assumes the batting order of the replaced defensive player, thus terminating the designated hitter role.

The designated hitter is eligible for all American League batting titles.

The designated hitter named in the starting lineup must come to bat at least one time, unless the opposition changes pitchers.

SCORING RULE ON PINCH-HITTERS: A player shall be considered a pinch-hitter only if he enters the game as a substitute batter and then only on his first time at bat which must be before he becomes a fielder. If the team bats around and a pinch hitter comes up a second time in the inning in which he first appeared he will not be considered a pinch hitter during that second time up.

A substitute hitter for a designated hitter is both a pinch hitter and a designated hitter on his first time at bat. On subsequent trips to the plate he is a designated hitter only.

DOCTORED BAT: A batter is out for illegal action when he uses or attempts to use a bat that, in the umpire's judgment, has been altered or tampered with in such a way to improve the distance factor or cause an unusual reaction on the baseball. This includes bats that are filled, flat-surfaced, nailed, hollowed, grooved or covered with a substance such as paraffin, wax, etc. No advancement on the bases will be allowed and any out or outs made during a play shall stand. In addition to being called out, the player shall be ejected from the game and may be subject to additional penalties as determined by his League President. (Rule 6.06d).

STATISTICS AND STREAKS

BATTING CHAMPION QUALIFICATIONS: A batting champion must have 502 or more actual plate appearances. (The equivalent of 3.1 appearances for each of the 162 scheduled games.). If, however, there is any player with fewer than the required number of plate appearances whose average would be the highest if he were charged with the required number of official at bats, then the player shall be awarded the batting championship.

EARNED-RUN AVERAGE CHAMPION QUALIFICATIONS: To win the earned-run average championship a pitcher must pitch at least as many innings as the number of games scheduled for each club in his league that season and have the lowest earned-run average.

FIELDING CHAMPION QUALIFICATIONS: The individual fielding champions shall be the fielders with the highest fielding average at each position, provided:

(1) A catcher must have participated as a catcher in at least one-half the number of games scheduled for each club in his league that season;
(2) An infielder or outfielder must have participated at his position in at least two-thirds of the number of games scheduled for each club in his league that season;
(3) A pitcher must have pitched at least as many innings as the number of games scheduled for each club in his league that season. **EXCEPTION:** If another pitcher has a fielding average as high or higher, and has handled more total chances in a lesser number of innings, he shall be the fielding champion.

DETERMINING EARNED-RUNS: The determination of earned-run is as follows:

"An earned-run is a run for which the pitcher is held accountable. In determining earned-runs, the inning should be reconstructed without the errors and passed balls; and the benefit of the doubt should always be given to the

pitcher in determining which bases would have been reached with errorless play."

Until 1969, the reliever could not be charged with an earned-run if he entered the game after the side could have been retired but for an error, no matter how many runs he subsequently gave up in that inning. Now, runs, scored by batters who reach base off the reliever are charged as earned on that pitcher's record. They are not, however, charged as earned against the team as a whole. Therefore, a discrepancy may occur between the total earned-runs charged against a team and the sum total of the earned-runs charged against the individual pitchers of that team.

DETERMINING THE MAGIC NUMBERS: Determine the number of games yet to be played, add one, then subtract the number of games ahead in the loss column of the standings from the closest opponent.

DETERMINING BATTING AVERAGE: Divide the number of at bats into the number of hits.

DETERMINING EARNED-RUN AVERAGE: Multiply the number of earned runs by nine; take the number and divide it by the number of innings pitched.

DETERMINING SLUGGING PERCENTAGE: Divide the total bases of all safe hits by the total times at bat. (At bats do not include walks, sacrifices, hit by pitcher, or times awarded first base because of interference or obstruction.)

DETERMINING ON-BASE PERCENTAGE: Add the total of hits, walks and hit by pitches and divide by the total of at-bats, walks, hit by pitches and sacrifice flies.

DETERMINING FIELDING AVERAGE: Divide the total putouts and assists by the total of putouts, assists and errors.

DETERMINING WINNING PERCENTAGE: Divide the number of games won by the total games won and lost.

CREDITING A SAVE: A pitcher shall be credited with a save when he meets all three of the following conditions:

(1) He is the finishing pitcher in a game won by his club, and
(2) He is not the winning pitcher, and
(3) He qualifies under one of the following conditions:
(3) (a) He enters the game with a lead of no more than three runs and pitches for at least one inning, or
(b) He enters the game regardless of the count, with the potential tying run either on base, at bat, or on deck (that is, the potential tying run is either already on base or is one of the first two batsmen he faces), or
(c) He pitches effectively for at least three innings.

TOUGH SAVE: The reliever comes into the game with the tying runs on base and saves the game. Example: Reliever comes in with a 5-3 lead, two outs and the bases loaded in the ninth inning.

BLOWN SAVE: When a relief pitcher enters a game in a save situation and departs or the game ends with the save situation no longer in effect because he has given up the lead, he is charged with a "blown save." (If the save opportunity still exists when he leaves the game, he is not charged with a save opportunity. If the pitcher has not given up the lead when he leaves the game, though the save opportunity may no longer exist, he is not charged with a save opportunity.

HITTING STREAKS: A consecutive hitting streak shall not be terminated if the plate appearance results in a base on balls, hit batsman, defensive interference or a sacrifice bunt. A sacrifice fly shall terminate the streak.

CONSECUTIVE-GAME HITTING STREAKS: A consecutive-game hitting streak shall not be terminated if all the player's plate appearances (one or more) result in a base on balls, hit batsman, defensive interference or a sacrifice bunt. The streak shall terminate if the player has a sacrifice fly and no hit. The player's individual consecutive-game hitting streak shall be determined by the consecutive games in which the player appears and is not determined by his club's games.

CONSECUTIVE-GAME PLAYING STREAK: A consecutive-game playing streak shall be extended if the player plays one-half inning on defense, or if he completes a time at bat by reaching base or being put out. A pinch-running appearance only shall not extend the streak. If a player is ejected from a game by an umpire before he can comply with the requirements of this rule, his streak shall continue.

GLOSSARY OF MINOR LEAGUE TRANSACTION TERMS

Minor League players are generally under contract to a Major League Club and are assigned to play for a Minor League Club (1) that the Major League Club owns or (2) that has a Player Development Contract with the Major League Club. Major League Clubs may freely assign their Minor League players among their affiliated Minor League Clubs, subject to certain league age and service requirements.

The following glossary describes some terms used in Minor League transactions. References to "players" in the glossary apply only to Minor League players.

Active List: The roster of players eligible to participate in a game. For Class AAA and AA Clubs, the Active List is 24 players from opening day through the 30th day of the championship season and from August 10 through the end of the championship season, and is 23 players from the 31st day of the championship season until August 10; for Class A Clubs, the Active List is 25 players from opening day through the end of the championship season; for Short-Season A Clubs, the Active List is 30 players, only 25 of whom may be in uniform and eligible to play in a given game, from opening day through the end of the championship season; for Rookie Clubs, the Active List is 35 players, only 30 of whom may be in uniform and eligible to play in a given game, from opening day through the end of the championship season.

Championship Season: The regular season of games, not including any post-season playoffs.

Contract Voided: A player's contract is terminated under provisions described in the contract. A player whose contract is voided becomes a free agent and may sign with any Club.

Disabled List: An injured Minor League Player may be placed on this list during the championship season only. A player on the Disabled List must remain there for a minimum period of seven days before the player can be reinstated to the Active List. A player on the Disabled List does not count against a Club's Active List limits, but does count against a Club's Reserve List limits.

Disqualified List: A player who violates a player contract or reservation may be placed on this list. There is no minimum number of days the player must remain on the Disqualified List before the player can be reinstated to the Active List. A player on the Disqualified List does not count against a Club's Active List limits or its Reserve List limits.

Emergency Disabled List: An injured Minor League Player may be placed on this list during the championship season only. A player on the Emergency Disabled List must remain on the list for a minimum period of 60 days or until the end of the championship season (whichever is earlier) before the player can be reinstated to the Active List. A player on the Emergency Disabled List does not count against a Club's Active List limits or its Reserve List limits.

Free Agent: A Minor League player is a free agent, able to sign with any Club, when the term of the player's Minor League contract has expired. If the player has not re-signed with the same Club, the player becomes a Minor League free agent on October 15 at 5:00 p.m. (ET).

Ineligible List: A player found to have committed misconduct may be placed on this list. There is no minimum number of days the player must remain on the Ineligible List before the player can be reinstated to the Active List. A player on the Ineligible List does not count against a Club's Active List limits or its Reserve List limits.

Loan: A Minor League player's contract may be loaned from one organization to another, so long as the new Club is also under the jurisdiction of the Commissioner of Baseball.

The Assignor Club retains contractual rights to the player. The player must be returned to the assignor Club at the end of the championship season. Loans of players are most commonly made to Mexican League Clubs.

Outright Assignment: A player who is traded from one Major League organization to another is assigned outright. The assignor Club transfers all contractual rights regarding the player to the assignee Club.

Rehabilitation Assignment: A Minor League Player on either the Disabled List or Emergency Disabled List may be sent to a Short-Season A or Rookie classification Minor League Club to play on a rehabilitation assignment, while the player remains on the Disabled List or Emergency Disabled List of the player's original Club. A rehabilitation assignment may not exceed 20 days for non-pitchers or 30 days for pitchers. A player on a Minor League rehabilitation assignment does not count against the Active List or Reserve List limits of the Club for which the player is playing on the rehabilitation assignment.

Release: A player's contract is terminated and the player becomes a free agent.

Reserve List: The roster of players eligible for placement on the Active List. For Class MA, the Reserve List limit is 38 players; For Class AA, the Reserve List limit is 37 players; and For Class A, Short-Season and Rookie, the Reserve List limit is 35 players.

Restricted List: A player who fails to report or fails to sign a contract with the Club to which the player is reserved may be placed on the Restricted List. There is no minimum number of days the player must remain on the Restricted List before the player can be reinstated to the Active List. A player on the Restricted List does not count against a Club's Active List limits or its Reserve List limits.

Return: The act of moving a loaned player's contract back to the Minor League Club that loaned the player. All players who have been loaned must be returned no later than September 30.

Selected Rule 5: A player selected in the Class MA or Class AA phase of the Rule 5 draft, which is conducted in December each year, is assigned from one Major League organization to another. The selecting Club pays a set price to the player's former Club for the right to the player's contract.

Suspended List: A player may be placed on the Suspended List for misconduct or rule or contract violations. There is no minimum amount of days the player must be on the Suspended List before the player can be reinstated to the Active List. A player on the Suspended List does not count against a Club's Active List limits, but the player does count against its Reserve List limits.

Temporarily Inactive List: A player with an excused absence to perform personal obligations is placed on this list. The player must be on the Temporarily Inactive List for a minimum of three days before the player can be reinstated to the Active List. A player on the Temporarily Inactive List does not count against a Club's Active List limits, but does count against its Reserve List limits.

Transfer: Minor League Player is moved from one Minor League Club to another within the same Major League organization.

Voluntary Retired: A player who wishes to retire is placed on this list. The player may not be reinstated until the player has missed 60 playing days of the championship season.

MLB, MLBPA Implement Drug Agreement

Commissioner Allan H. (Bud) Selig and Players Association Executive Director Donald M. Fehr reached an agreement in principal on a new policy on performance-enhancing substances, prior to the 2006 season.

The agreement increases penalties applicable to players who test positive for steroids. First-time offenders will be suspended for 50 games. Second-time offenders will be suspended for 100 games. Third-time offenders will be banned for life. Players banned for life will have the opportunity to seek reinstatement after a minimum suspension of two years, with potential arbitral review of the decision on reinstatement.

The agreement also will provide for random amphetamine testing in Major League Baseball. Players who test positive for amphetamines for the first time will be subject to mandatory evaluation and follow-up testing. Subsequent positive tests for amphetamines will carry suspensions of 25 games, 80 games and up to a lifetime ban.

Commencing this season, Major League Baseball also will increase the frequency of testing. Under this policy, every player will be tested at least twice during the season. The program of year-round random testing will also be expanded. All players will remain subject to additional random tests (beyond the mandatory two tests) no matter how many times they have been tested.

Major League Baseball and the Players Association also agreed that the scheduling of tests, the collection of samples, the implementation of the parties' agreement with the World Anti-Doping Agency Certified Laboratory and the reporting of positive tests results to the parties has been turned over to a new Independent Program Administrator, unaffiliated with either Major League Baseball or the Players Association.

BONE SCAN – An imaging procedure in which a radioactive-labeled substance is injected into the body to determine the status of a bone injury. If the radioactive substance is taken up by the bone at the injury site, the injury will show as a "hot spot" on the scan image. The bone scan is particularly useful in the diagnosis of stress fractures.

CONTUSION – An injury to muscle and tissues cause by a blow from a blunt object.

DEBRIDEMENT – Removal of non-healthy tissues and foreign material from a wound or burn to prevent infection and permit healing.

DELTOID MUSCLE – Muscles at the top of the arm, just below the shoulder, responsible for shoulder motions to the front, side and back.

DISC – A flat, rounded plate between each vertebrae of the spine. The disc consists of a thick fibering which surrounds a soft gel-like interior. It functions as a cushion for the spinal column.

FEMUR – Thigh bone; largest bone in the body.

ROGERS CENTRE

Now known as Rogers Centre, this world class entertainment facility has been home to the Toronto Blue Jays since June 5, 1989. The stadium is best known for the retractable roof which is one of many innovations that can be found in a stadium that was ahead of its time. SkyDome was renamed Rogers Centre on February 2, 2005 which marks the first day the Blue Jays had full control of their facility.

At conception, the building took an innovative approach to financing, construction and design. Until 1994, it had been owned by The Stadium Corporation of Ontario, a consortium comprised of both public and private funds. The Province of Ontario and the Municipality of Toronto each contributed 30 million dollars. Joining these two levels of government were 30 Canadian corporations including the Toronto Blue Jays Baseball Club. Each private company contributed 5 million dollars in exchange for preferred supplier status and a SkyBox. Rogers Centre was previously owned by Sportsco International, L.P. (April 1999), the principals of which were Alan Cohen and Harvey Walken. The final construction cost of SkyDome exceeded 500 million dollars.

Architects Rod Robbie and Michael Allen designed the building and had patented its retractable roof system. Preparation of the site began in April 1986, with groundbreaking taking place in October of that same year. The last exterior concrete was poured in November of 1988 and the first test of the moveable roof panels took place in January 1989. More than 10,000 person-years of employment were created by the construction of Rogers Centre.

The venue is located just to the south and west of the CN Tower, between John Street and Blue Jays Way. A five minute walk from Union Station, it is easily accessible by the TTC or Go Transit.

Rogers Centre is home to the Toronto Blue Jays Baseball Club and Toronto Argonauts Football Club as well as plays host to numerous events during the year such as concerts, trade shows and charity functions. Also located in the building is the Renaissance Toronto Hotel, a 348-room hotel with 70 rooms overlooking the field. Rogers Centre houses several corporate offices for various companies including the Toronto Blue Jays.

One of the unique features of Rogers Centre is that it can be "transformed" from one mode (ie. baseball) to another mode (ie. football or concerts) within hours. The 100 level seating areas are situated on railway tracks that allow the seats to move for conversion purposes.

- The majority of spectators have a great view of the scoreboard.
- Even those few fans who are sitting in sections beside the video board can still view the screen in addition to the coloured display boards on the outfield wall which measure 10ft high x 65ft /3 metres x 20 metres wide, and coloured display boards on the 300 level facing boards which measure approximately 4ft high x 435 ft/1.3 metres x 132.6 metres long on each side.

ROGERS CENTRE

A GREEN INITIATIVE

As a call to action in the fight to reduce greenhouse gases, Rogers Centre underwent an extensive retrofit of its lighting system that will help reduce the stadium's greenhouse gas emissions by 33% when it is complete. Furthermore, the three year project will also see the reduction of overall power use through changes in the heating and cooling systems throughout the Rogers Centre. This new system is a combination of computer based applications and senor based technologies. Light will automatically turn off when nobody is in a room or area of the stadium. Moreover, the technology allows for lights to automatically dim or become brighter depending on natural sunlight and darkness. This is referred to as "daylight harvesting."

FIRST GAME PLAYED AT EXHIBITION STADIUM

The Blue Jays slugged their way to a 9-5 triumph over the Chicago White Sox in their April 7, 1977, debut.

Despite snow flurries before the game and near-freezing temperatures, 44,649 fans witnessed the exciting contest, which featured 16 hits by the Blue Jays and 15 by Chicago.

Doug Ault smacked two homers and a single and rookie Al Woods hit a pinch-homer in his first big-league at bat for Toronto. Richie Zisk had four hits for the visitors.

The Blue Jays played 968-games from April 7, 1977-May 28, 1989 at Exhibition Stadium posting a record of 491-475 with 23,213,557 fans passing through the turnstiles.

Knology Park

Located at the corner of Douglas Avenue and Beltrees Street in Dunedin, Florida. Knology Park has been the training home for the Toronto Blue Jays since the club's first season in 1977 and home of the Dunedin Blue Jays of the Florida State League (A).

From 1977 to 1989 the Blue Jays played at Grant Field in Dunedin, which had a seating capacity of 3,417. In 1990 the City of Dunedin, at a cost of approximately 2.4 million, built a new stadium for the Blue Jays, Dunedin Stadium at Grant Field. The stadium was designed by the architect firm of Johnston Dana Associates and was built by Case Contracting Company of Plant City, Florida. With the construction the stadium saw an increase in the seating capacity from 3,417 to 6,106.

On September 8, 2000 the City of Dunedin and the Toronto Blue Jays reached an agreement to keep the Blue Jays in Dunedin for a minimum of 15 years pending approvals. Under the agreement major renovations would be made to Dunedin Stadium and a new minor league facility would be constructed. The $12.5 million renovation was shared between the State of Florida, Pinellas County, the City of Dunedin and the Toronto Blue Jays.

The renovations to Dunedin Stadium in February 2002 were designed by the architectural firm HOK Sports + Venue + Event and were built by J.A. Jones Construction. The changes to Dunedin Stadium included a new two-story building beyond the right field wall, which holds the Blue Jays clubhouse, training room and weight room on the ground floor with office space for the major league club on the second floor. The visiting clubhouse is now located on the third-base line. As well, the bleacher seats along the right-field foul line were removed and permanent seating installed. The dimensions of the Stadium increased from 315 feet to 327 feet. The capacity of the Stadium is 5,509.

Dimensions

Left-field line	335 ft/102.1 m
Left-centre	375 ft/114.3 m
Centre field	400 ft/121.9 m
Right-centre	375 ft/114.3 m
Right-field line	327 ft/ 99.7 m

Fence - 16 feet high
Warning track - 20 ft/6.1 m
Capacity - 5,509

Construction on the minor league facility was completed for the 2003 season. The Bobby Mattick Training Center is located on the same grounds of the Englebert Complex. The facility features new clubhouses, offices, weight room, five full fields and a half field. Four of the fields are arranged in a cloverleaf pattern with an observation tower in the middle.

On February 6, 2004 Dunedin Stadium at Grant Field was renamed Knology Park.

The largest ever spring exhibition game crowd was 6,218 on Tuesday March 27, 1990 for the game between the Blue Jays and the Kansas City Royals and on Wednesday March 13, 1985 for the Blue Jays and the New York Mets.

The first ever Blue Jays game played at Grant Field was on March 11, 1977. The Blue Jays defeated the New York Mets by a score of 3-1.
